Catálogo de Centralitas de faros Xenon

Xenon ballasts

2016

CSV+ electronic parts

IMPORTANTE

Todas las referencias, imágenes, e información de este catálogo deben ser consideradas a titulo informativo. Hemos puesto todo el esfuerzo posible para asegurar que toda la información de este catálogo es correcta y actualizada.

Por lo tanto no aceptaremos ninguna responsabilidad que pueda derivarse de un error u omisión de información, fotografías y contenidos de este catálogo. Igualmente nos reservamos el derecho de hacer modificaciones en el mismo sin previo aviso.

GARANTIAS

Solo serán tramitadas las garantías recibidas después de la comprobación a través de nuestro departamento técnico.
Debido a la tecnología de los motores actuales, es necesario hacer previas comprobaciones de las piezas antes de ser enviadas al proveedor (Fabricante).

Para minimizar conflictos de criterio con los clientes, y que las piezas sean denegadas, se nos debe informar previamente a cerca de la garantía, rellenar el "informe previo de pieza en garantía" y enviarlo vía fax o e-mail.

En caso de ser una garantía, se procederá al abono o sustitución de la pieza de la forma habitual.

DEVOLUCIONES

No se admitirán piezas en devolución una vez hayan salido de nuestras instalaciones.
Para evitar pruebas indiscriminadas sobre material nuevo, errores de solicitud de referencias, etc. …, se retendrá un 25% del valor del abono en piezas de devolución entre las 24 – 48 horas posteriores a su venta.

Queda a nuestro criterio recoger una pieza fuera de dicho plazo.

Para evitar confusiones en la solicitud de una pieza, comprobar siempre el cruce de referencias, y no solicitar recambio de gestión de motor solo por su aplicación. Estas pueden variar mucho incluso en vehículos idénticos.

Avd. Martinez Garrido 51
36205 Vigo. Spain.
